Completely Made Up Horoscopes

ARIES (March 21 to April 19) Stop being so snarky. Look it up.

TAURUS (April 20 to May 20) Someone needs to hunt down and kill Scott Baio and Mary Kate Olsen. I'll pay. If you can kill them with one shot, bonus!

GEMINI (May 21 to June 20) I have been cursed! I have the curse of knowledge! Oh, and it hurts.

CANCER (June 21 to July 22) Did you know The Horizon has never used the word "pudenda" before?

LEO (July 23 to Aug. 22) When I went to go see "Cloverfield," I had mozzarella sticks. I got so sick from the combination of crappy food and shakey cam that I threw up in the bathroom. The movie was pretty nauseating, too.

VIRGO (Aug. 23 to Sept. 22) Virgo? Who are you trying to kid? I mean, really.

LIBRA (Sept. 23 to Oct. 22) Today's fortune will be tomorrow's despair. Probably. Most likely. Why not?

SCORPIO (Oct. 23 to Nov. 21) Scorpio. You think you're better than me? You're not better than me. No one's better than me, except maybe Sagittarius.

SAGITTARIUS (Nov. 22 to Dec. 21) If the moon was made of snickerdoodles, would you eat the moon? Of course you would.

CAPRICORN (Dec. 22 to Jan. 19) Hmmm, better buy some lottery tickets. Get the one on the right. No, the other one.

AQUARIUS (Jan. 20 to Feb. 18) Aquariuses swim with the fishes. You hear me? You tell anybody and you're dead. You hear me? Dead!

PISCES (Feb. 19 to March 20) Hey, ladies, did you know Zak Becher is single? Well, he is. Better get in line now before it's too late.
