Announcements

Tour China

The IUS Overseas Study program invites students to discover China. The program will be taking a 16-day tour of China to visit such places as the Great Wall and Qufu (the birth place of Confucius).

Other attractions include coming face-to-face with the famed Terra Cotta Warriors of Xian, climbing the sacred mountain Mt. Tair and visiting the architectural miracles of Shanghai. The tour will cost an estimated $3,690 and will depart from Louisville on May 27 and return on June 11. Students may be eligible for financial aid and scholarships and can also earn three credit hours. Non-students are also welcome to participate.

Those interested should contact Yu Shen by e-mail, yshen@ius.edu, or by calling 941-2533.

International Speaker Series

On March 6 at 12:15 p.m. in University Center, room 122, John Doyle, assistant professor of computer science, who spent two weeks in Bangalore and Hyderabad, will share his experiences and insights for present and future high technology opportunities in India.

He will also discuss the impact these "cybercities" have on American computer science and engineering students. The high technology field is constantly growing and changing, but perhaps the greatest rate of change can be found in India.

So-called "cybercities" are emerging as the opportunity of the future for many Indians and as a means for the technology industry to grow and thrive.

This is an event in the IU Southeast International Speaker Series and is sponsored by the Office of International Programs. This event is free and open to the public.
